The enclosed material is furnished under the assumption that it will be of substantial value to the US Special Representative in Europe of the Economic Cooperation Administration. If, after examination, you feel that your organization does not require this material in the exercise of its official function, it is requested that you return it to the Central Intelligence Agency. In the event you retain this material, it should be stored in a locked safe when not in use. Disclosure of this material should made only to members of your immediate staff who have a need of the information. If you desire to disclose any of the enclosed material to persons outside your immediate staff, kindly obtain prior concurrence from the Central Intelligence Agency.
